

Activity 1 – Pebble painting

Before lockdown we were focusing on ideas to celebrate the Year of Pilgrimage (and what a Pilgrimage we've all been on!). St. Martin's Junior Church started drawing on pebbles we planned to give to care homes, visitors etc. You may also have seen stones painted in thanks for the NHS and key workers during lockdown, but what we haven't seen is messages of hope and love.

Activity:

Maybe you could write some of these messages on pebbles and place them around our community to share God's love with everyone?

Please also write "impact" on the back – if anyone picks it up, they may know where it has come from!

What you will need:

1. Pebbles or small rocks
2. Acrylic paint or crayons

** Please note Acrylic paint does not come off clothes*

When you're finished, we'd love to see photos of what you've made. And maybe also tell us where you placed them.

Here's some examples from us 😊
