

Activity 3 – Winds of Change

Lockdown has been a great time of change for all of us, but I'm sure you've seen lots of good that has come out of it, like people helping one another. In August we remember Jesus' Transfiguration – which means to change in to a better form of yourself. Why not look in our August Home Resources booklet for fun activities to celebrate the Transfiguration with your family?

Activity:

Design a poster including all the good things you've been doing. You may like to start by making a list of everything you can think of. Have you been doing anything to "love your neighbour"?

Why not also include how your relationship with God has changed while we're not meeting for Junior Church and services in our buildings?

What you will need:

- A large piece of card or paper
- Pens, pencils or crayons
- Anything you may want to decorate with.

Here's some ideas from us to get your started 😊

1. Have you been helping a neighbour or family with anything?
2. Maybe you've been phoning family or friends to check they're OK?
3. Have you been gardening?
4. Have you been looking after a pet?
5. Have you been doing anything to make someone smile?
6. Are you praying at home in a different way?
7. Maybe you're holding family services?
