

In bright light and dull darkness, in
the energy of each day and the rest
that comes with night
We remember the goodness of God.

In the heavens high above our heads, in
waters that run deep around the world
We remember the goodness of God.

In solid land and flowing seas, in vivid
flowers and fruit laden-trees
We remember the goodness of God.

In the rising and setting of the sun
and the cycles of the seasons.
In the patterns of the shining stars
We remember the goodness of God.

In oceans teeming with fish,
in skies filled with birds
We remember the goodness of God.

In a world filled with animal life and in
ourselves as human beings
We remember the goodness of God.

And God looked and saw all that he
had made, and indeed it was very,
very good. In rest and reflection,
in wonder and worship
We remember the goodness of God.
Amen

Blessed are you, Lord God, King of
the universe. Your word brings on
the dusk of evening.

Your wisdom creates both night and
day. You determine the cycles of time.

You arrange the succession of seasons
and establish the stars in their heavenly
courses. The Lord of hosts is your name.

Living and eternal God, rule over us
always. Blessed be the Lord, whose word
makes evening fall.

Lord, you created us, all of us.
Please fill our hearts with love, so that
there is no room for hate.
Fill our minds with understanding, so
that there is no room for fear.
Fill our eyes with wonder so that we
may see only uniqueness and not
strangeness.
So that we may love, understand and
enjoy our fellow brothers and sisters
to your glory. Amen

Prayers for Creation Season

*Taken from Church of England resources
for the Season of Creation*

Produced by the Benefice

Dear Lord, thank you for making this amazing world. Thank you for making it so beautiful. Thank you for loving every person you've made in the whole world. Please help us to look after the world. Please help us to look after each other. Please stop climate change hurting people and all your creatures. Please help us not to be greedy, and trust you to give us enough. Please help us to share what you've given us. Thank you because today thousands of people around the world are praying these prayers. Amen.

Tearfund "Hope for Creation "

Creator God, you made the goodness of the land, the riches of the sea and the rhythm of the seasons; as we thank you for your gracious providing may we cherish and respect this planet and its peoples, through Jesus Christ our Lord. Amen.

Living God, you call us to be good stewards of this earthly home, strengthen us to care for your creation; forgive us when, through our greed and indifference we abuse its beauty and damage its potential. Empower us, through your Spirit to so nurture and love the world, that all creation sings to your glory. Amen.

All powerful God,
you are present in the universe
and in the smallest of your creatures.
You embrace with your tenderness
all that exists. Pour out upon us the
power of your love, that we may
protect life and beauty. Fill us with
your peace, that we may live as brothers
and sisters, harming no one.
O God of the poor, help us to rescue
the abandoned and forgotten of this
earth, so precious in your eyes.
Bring healing to our lives, that we may
protect the world and not prey on it,
that we may sow beauty,
not pollution and destruction.
Touch the hearts of those who look
only for gain at the expense of the
poor and the earth.

Teach us to discover the worth of
each thing, to be filled with awe
and contemplation, to recognise that
we are profoundly united
with every creature as we journey
towards your infinite light.
We thank you for being with us each
day. Encourage us, we pray, in our strug-
gle, for justice, love and peace.

Prayer for the Earth, Pope Francis, Laudato Si

Show us how to change Lord, show us
how to do things well today, so that
others may not suffer, here and there,
now and in the future. Show us how
to make our contribution as we change
the way we live, travel, make and
consume, distribute and sell, use and
reuse energy and products. Show us
how to do simple things well in our
home, places of work and daily lives.
Show us how to protect the world you
made, in all it's diversity and goodness,
from our carbon emissions – global
warming and climate change, rising
temperatures and sea levels, the
displacement of peoples, environmental
poverty, harm and destruction. Show
us how and show us why, so that alone
and with others our contribution will
make a difference. Amen

("A Heart for Creation" Chris Polhill)

Gracious God, we thank you for inviting
us to share the hospitality of your table
and to enjoy the blessings of a bountiful
earth. Call forth in us the same
generosity as we find in you. In the
power of your Spirit, raise up in us a
hunger for justice, a commitment to
kindness and a passion for service,
that we may be a blessing in the world,
in Jesus' name. Amen.
