

The Breath of the Almighty

Lord God, loving Creator,
You fashioned us from clay,
And breathed life into us.
We are made and loved by you.

Heavenly Father,
Your Spirit fills us with hope
And lights the path to fullness of life.
Hear us as we cry out to you,
uncertain and afraid.

In your mercy, Lord,
Grant us the strength to rebuild
when all seems lost.
And the courage to reach out
to those in pain.

Linda Jones/CAFOD

Prayer for Wholeness with God

O God,
who knows every burden I bear,
draw me close to your heart.
May every breath I take place me
in your arms more securely
so that I will know that your love
makes my brokenness whole again.

Remind Me of Your Love

I confess my need for you today.
I need your healing and your grace.
I need hope restored.
I need to be reminded that you work
on behalf of those you love,
constantly, powerfully, and completely.
I humbly come to you and bring you
the places I am hurting.
Thank you that you will never waste
my pain and suffering.

Debbie McDaniel

Lord, look upon me with eyes of mercy.
May Your healing hand rest upon me,
may Your life-giving powers
flow into every cell of my body
and into the depths of my soul,
cleansing, purifying, restoring me
to wholeness and strength
for service in Your Kingdom.

For Good Health

Loving God, you are the God who heals. I praise you for your healing power and pray for health and strength today. Your Word is life and healing to my bones. You bore my sickness and pain and brought healing to the world through your suffering. Even if I walk through the valley of the shadow of death, I will not fear because you are with me, and you are comforting me. Please give me peace and help me focus my mind on you. Thank you that in my weakness I am made strong through you.

Hollie Gilman

A Prayer for St. Luke

Almighty God, Who didst inspire Thy servant St. Luke the physician to set forth in the Gospel the love and healing power of Thy Son: Graciously continue in Thy Church the love and power to heal, to the praise and glory of Thy Name; through the same Jesus Christ our Lord, who liveth and reigneth with Thee, in the unity of the Holy Ghost, one God, now and for ever. Amen.

Traditional Catholic Prayer

Healing Prayer

Heavenly Father, hear my prayer for healing. Thank you that you are the resurrection and the life, death holds no power over you. Your word says that you will be the cries of all those who call on you. You say that you will send out your word and heal them. Increase my faith that I may call on your unfailing love for the healing and recovery that I need. Lord, bless me and keep me, make your face shine upon me. Turn your face towards me and give me peace. Through Jesus Christ, our Lord. Amen.

Father God, I come before You to pray for those who are anxious. Lord, we know that anxiety is not of You, but it is something that throws us like waves in a storm. Help us to cast our anxieties and cares upon You. As we step back into the world after such a season of isolation and fear, we pray that each of us would feel Your presence. Embrace us with Your peace as You calm the waves. May we breathe in Your peace and exhale our worry. Help us to step into this upcoming season with firm steps knowing You are with us forever. In Jesus Name, Amen.

Wholeness Prayer

Heavenly Father, thank you that you will fight for me while I remain still, rooted in you. I pray that you will heal me internally and externally. Heal my mind, body and spirit. Help me to find abundant life in your grace and mercy. Transform my life, Lord. You are the God of peace, the great shepherd of the sheep. May you equip me with everything good that I may do your will. Work in me, that I may be pleasing in your sight. Through Jesus Christ, our Lord. Amen.

Merciful Jesus, you are my guide, the joy of my heart, the author of my hope, and the object of my love. I come seeking refreshment and peace. Show me your mercy, relieve my fears and anxieties, and grant me a quiet mind and an expectant heart, that by the assurance of your presence I may learn to abide in you, who is my Lord and my God.
